

S M -236
HOUSE NEAR CLEMENTS
Clements
Private

late 18th century

Originally only two rooms, this one-story frame house was later enlarged by the addition of two narrow rooms on the rear. Although the roof was raised to encompass the addition, the same pitch was maintained. Original work surviving on the interior includes six-panel doors (with the smaller panels in the center) and some hardware. Tilted false plates were used in the original construction.
